### Notes:

No other third-party products are currently available.

These are the only MPAS courses available on either PWLN or CHPWLN.

There are update CDs to install (Intermediate Writing Process and Practice) and (Life Science) to a CHPWLN 2.1 system.

There is an update CD to install (Advanced Writing Process and Practice) to a CHPWLN 3.0 system.

There are update CDs to install (Physical Science and WorldView) to a CHPWLN 3.1 or 4.0 system.

There are update CDs to install (Essential Writing Process % Practice) and (Fundamental Writing Process & Practice) to CHPWLN 3.1 or 4.0

Shockwave Player v. 8.5.1 can only be used with CHPWLN system versions 3.1 and below. Shockwave Player 10 is supported with PWLN and CHPWLN v. 4.0

Flash Player versions 7 and 8 can be used on PWLN.

Flash 8 can only be used on CHPWLN 4.0 or above and a patch needs to be run. See <http://support.plato.com/27850> for details.
